Objective

- Creative and detail-oriented UI/UX | Graphic Designer with 3+ years of experience in designing user-centric mobile applications, modern web interfaces, and impactful digital branding assets. Skilled in Figma, Adobe Photoshop, and Canva, with expertise in wireframing, prototyping, user research, and usability principles. Adept at transforming business requirements into intuitive, visually appealing, and scalable design solutions that enhance user experience and drive engagement. Strong ability to collaborate with cross-functional teams and deliver high-quality designs aligned with both user needs and organizational goals.

Experience

UI/UX Designer & Graphics Designer | Vibrant It Solutions Pvt Ltd. | 04/2025 - PRESENT

- Designed and delivered user-centric UI/UX solutions for enterprise applications, including Dalmia Grower App, Dalmia Grain HRMS, ATSP, LMS, AMS, OLAM Agri, Namami Gange Programme, and Logbook platforms.
- Created responsive web and mobile interfaces, wireframes, interactive prototypes, and scalable design systems in Figma, ensuring seamless user experiences and consistent branding.
- Collaborated with developers, project managers, and stakeholders to translate business requirements into intuitive, functional, and visually engaging digital products.
- Developed high-impact creative assets, including social media posts, marketing banners, presentation decks, brochures, and branding materials for corporate and digital campaigns.

Softfix Technologies Pvt Ltd. | 09/2024 – 03/2025

- Designed and developed comprehensive brand identity assets, including logos, promotional posters, event creatives, and visual branding materials for diverse client portfolios.
- Created high-quality, print-ready marketing collateral such as business cards, brochures, flyers, and promotional materials while ensuring strict adherence to brand guidelines and design standards.
- Managed and delivered multiple design projects simultaneously within tight deadlines, maintaining exceptional quality, consistency, and attention to detail across all deliverables.
- Collaborated with clients and internal teams to translate creative concepts into impactful visual solutions that strengthened brand presence and supported marketing objectives.

Jamtech Technologies Pvt Ltd. | 02/2024 – 09 /2024

- Designed and developed comprehensive brand identity assets, including logos, promotional posters, event creatives, and visual branding materials for diverse client portfolios.
 - Executed professional photo retouching, image enhancement, and high-quality product mockup creation to support e-commerce marketing, product presentations, and digital campaigns.
 - Leveraged HTML and CSS fundamentals to create developer-friendly designs, facilitate effective cross-functional collaboration, and ensure seamless implementation of responsive user interfaces.
- Collaborated with clients and stakeholders to deliver visually compelling design solutions aligned with business objectives, user expectations, and brand guidelines.
